1	++	M	61	Married/ retired GE Health care. SP: Library. Well educated. He has a Masters in Library Science	None –some pub wit Jodi case.	No negative experiences on CRJ. Pro CRJ. Son –MIP – detention.	Thoughtful not emotional based response for DP question/ Thinks it's used appropriately. Not religious	Leader, detailed, risk. Honorable discharge from Navy. Worked with medical equip. & Nuclear weapons /Trusts psychologists. Good on battered women question.	Good on science	F/U son being in detention. F/U #101.	Juror appears more conservative. Has sought counseling (marital) 20+ years ago- doesn't appear to have a lot of baggage. Good thoughtful answers on due process, DP, intelligent. No drama.
4	X	F	38	Married/ works at AMEX. BA accounting. SP: financial analyst	None- watched several shows about Jodi, watches ++ crime shows.	Good on police. Aunt works for MCAO. Uncle jail, not close. No other CRJ.	Not religious / participates charities. Weak on DP	Leader, detail, safety. Daughter seeing a psychologist.	Good on science	Hardship: Migraines are a concern (happens 1 or 2 a yr). Wants to check with employer regarding H. F/U on aunt works for MCAO. F/U #107 & 108. F/U #113- frequency of DP.	This juror appears softer spec. to female and emotional issues. Even tho no DV background appears to connect with battered women def. interestingly DEF may want to get her for relation to MCAO. Not a strong juror for state. Letting her go for C or H would be better.

5	XX									F/U Q 11	<p>Hardship- PRE-PAID COMMITMENT FAMILY COMMITMENT IN MARCH.</p> <p>Almost like he knew he wasn't going to serve because of travel plans – so no real effort into SJQ – very blah and inconsistent – watches a lot of crime tv/arias – he needs to go for cause – if not – religion might or might not hurt on DP – his lack of interest is far more dangerous.</p>
6	0-X	F	26	Single/unemployed server. Student at 2 colleges. Major video design	No pub. Grandmother watched 1 day of Jodi. Watches a lot of criminal shows-junkie.	Cousin on probation (embezz) no other CRJ. Aunt PPD. Father works for FED prison. Pro-police.	Inconsistent on religious. Very pro DP.	Leader, big pic, safety. Sister baby daddy abusive to sister	Strong science	F/U #98. F/U religion & DP-clarify her religious affiliation. F/U #122. Unemployed –will be looking for work – nights? Need more info.	Young. Doesn't have a lot of direct life exp. Would need more info on the sister DV past. Almost too pro DP & in conjunction with reality tv, makes me a little concerned that she wants to serve on this jury too much?? Need to make sure that she shouldn't be a H due to unemployment.

7	XX	F	46	Married -2x before/ Claims auditor for health claims	knows about Jodi. Watches crime shows	Previously served on child abuse case – found Guilty verdict / thoughtful response to battered women question. She was abused by 1 st husband. First 2 marriages (infidelity).	Somewhat weak DP response. Not religious.	Leader, detail. Safety. Daughter sees a psych.	Good on science	F/U 1 st husband's abuse. F/U #95- immunity.	She is on meds that treat epilepsy &/or bipolar. Appears to connect with female V becuz of her own DV exp. & also with her daughter (troubled teen). Concerned that she will by def DF and good VD is needed to determine this.
16	+1/2	F	27	Married/ senior tax analyst. SP: works in lab. Masters accounting.	No pub/ minor details Jodi – didn't follow.	No CRJ. Pro-police.	Christian. Hasn't given much prior thought on DP. Would need to <u>be sure</u> . No convictions regarding DP?	Leader, detail, safety. She is very precise. Watched Snapped (TV)-no opinions, entertainment.	Uneducated on science. Good on DNA.	F/U DP?	Appears to be bright prof. no baggage. No prior drama. However, she does have perfectionistic tendencies that may concern me. Thoughtful juror who may be strong enough to see holes and wont be manipulated by DEF stories. Doesn't seem to buy the BS – need VD on DP

17	XXX	F	34	Single/ self-employed artist. No employment listed	Watched lifetime Jodi movie-no other pub. Lots of movies about justified killer of abuser (not real life).	Brother, DUI. Self-DUI (charges dropped). Self-DEF of DV-probation for 6 mon. assaulted ex when she found him cheating. Wrote her ex while he was locked up.	Says she is religious. DP-has no strong feelings on either DP or life in prison.	Leader & follower, detail, safety. Self-DEF of DV. Baby daddy drama. V of sexual misconduct when she was 6 yrs. Baby daddy was abusive to her.	Skipped #88-93 (Science).	F/U -ex was locked up?? Skipped #88-93 (Science)? F/U #117- "own faith". Get her for C if possible (unemployment- probation, were her civil rights restored?)	She is free spirited drama queen. Has all of the past life exp as DEF & is very weak on DP. Would overly relate to DEF & drama in her life. Has no real positive qualities for this jury.
19	+1/2	F	40	Married – 2x before as well/ Medical office supervisor. SP: PA.	Some fam. With Jodi-no other pub. Doesn't have time for tv.	No CRJ. No neg or positive of police.	Thoughtful response –good DP answer.	Leader, detail, safety. No DV	Pro-medical. Doesn't know much about some science.	F/U #113 –skipped this answer.	Smart thoughtful, fair juror. No life baggage @ all. Many of the issues in this trial will be new for her. She lacks any kind of awareness of these types of issues. I believe this juror will have lil tolerance for the DEF stories & drama. Would be interested to know about her prior marriages?? Speaking to this juror will be important due to her lack of life exp.
